

HILL DICKINSON

COMPANY PROFILE

Hill Dickinson has one of the largest international wet and dry shipping law practices. From our office in Singapore, we handle all manner of casualty, salvage, P&I, FD&D and insurance work. Our clients in the shipping world include many of the leading shipowners, salvors, cruise and ferry operators, charterers, shipyards, P&I clubs, port and terminal operators, underwriters and traders.

The firm is also a full service commercial law firm and is able to offer its clients expertise and support in all aspects of their businesses.
