

NORTH

SERVICE, STRENGTH, QUALITY

CORPORATE PROFILE

The North of England Club is a mutual insurance association providing protection and indemnity insurance to a quality worldwide membership of shipowners, operators and charterers.

Started on the banks of the River Tyne in the north east of England and now over 150 years old, North is very much a service focussed, financially strong, conservative and stable Club always available to render assistance to its members worldwide from its offices in Newcastle upon Tyne, Piraeus, Hong Kong and Singapore.

The North's reputation for service stands not only on its ability to respond and assist in a crisis but also in its efforts to help its members manage the risk through its highly regarded loss prevention programme.

Our offices are 'an extension of our member's offices' and our staff are always available to help."
