

PST MANAGEMENT PTE LTD

CORPORATE PROFILE

Pacific Shipping Trust (PST) is the first business trust to be listed on the Singapore Exchange (SGX).

It provides structured financing solutions to established shipping companies, thereby generating visible and stable cashflow stream through long-term charters. By acquiring vessels and leasing them to reputable charterers on long-term bareboat or time charters, PST seeks to generate a steady stream of high-yielding income for its Unitholders.

The trustee-manager of PST is PST Management Pte. Ltd. (PSTM), a wholly-owned subsidiary of Pacific International Lines (Private) Limited, one of the largest container shipping companies in the world.

Currently PST owns 12 container vessels – a young fleet with an average age of five years – of which are bareboat and time-chartered to established liner operators.

PST has the capability to explore opportunistic deals that meet its investment criteria and continue to deliver long-term sustainable returns to unitholders.
