

Founded in the 1950s, Rajah & Tann LLP is one of the largest full-service law firms in Singapore and the Asia Pacific. Over the years, we've been at the leading edge of Asian law, having worked on many of the biggest and highest profile cases in the region. As a result, we've developed a near-instinctive understanding of the issues, opportunities and challenges facing those doing business here. We also have the reach and the resources to deliver excellent service to clients all over the region, with offices in Shanghai, Kuala Lumpur and Vientiane, as well as specialist practice groups focusing on Japan, South Asia and Indonesia.

In terms of the quality and scope of our legal and commercial expertise, we have particular strengths in a range of practices. But, as you will see, we have talented and well regarded lawyers, dedicated to delivering the very highest standards of service across all our practice areas.

With varied areas of expertise and a wealth of experience, coupled to keen commercial acumen, our Admiralty & Shipping practice group continues to dominate the Singapore maritime scene – and increasingly to make its presence felt in the wider region. The group is consistently placed in the “top tier” and ranked as a “band 1” shipping firm by independent legal directories.

Now led by Senior Counsel Toh Kian Sing, who assumed the mantle from shipping law doyen Steven Chong, the partners are recognised by Chambers Global and the Legal 500 as leading practitioners and experts in the maritime arena. Collectively and individually, we have won testimonials as Asian counsel of first resort in shipping and trade-related work.
