

## Firm Profile

Rodyk & Davidson LLP is one of Singapore's largest full service law practices. With our offices in Singapore and Shanghai and strategic alliances in the region, Rodyk provides effective representation across Asia.

Our team of more than 150 lawyers is grouped into five core practice groups:

- > Corporate
- > Finance
- > Intellectual Property & Technology
- > Litigation & Arbitration
- > Real Estate

Representing a diverse clientele in a broad spectrum of industries and businesses, Rodyk maintains strong working relationships with key public sector agencies and leading organisations in the private sector.

Multidisciplinary practices such as our Competition Law Practice and Maritime Practice draw expertise from across the firm to serve clients effectively.

Rodyk has an established and vibrant regional presence, advising clients on their projects across Asia through our regional practices: China Practice, India Practice and Indonesia Practice. Rodyk's Shanghai office was established as early as 1996. Our regional practice concentrates on project finance, infrastructure projects, M&As, corporate restructuring, and banking and investment transactions in China, Indonesia and India. We frequently advise on cross border transactional litigation and arbitration, and multi jurisdictional intellectual property issues.

Internationally, Rodyk enjoys exclusive memberships in the World Law Group and the Pacific Rim Advisory Council, and offers clients seamless and cost effective services in 70 cities spanning 40 countries.

# Maritime

Rodyk's Maritime Practice provides a broad range of services in the area of maritime law.

The team comprises lawyers with extensive experience and a deep understanding of the maritime industry. Our services span the whole value chain from the inception of a project and its risk management to enforcement and dispute resolution.

## Maritime Finance Services

Rodyk provides comprehensive advisory and documentation services on ship sale and purchase, leasing, financing, and registration as well as the drafting and negotiation of shipping related contracts.

We are experienced advising and representing vessel owners on attaining Approved International Shipping (AIS) Scheme and tax-exempt status in Singapore. We represent major shipyards in offshore construction projects, including projects involving the oil and gas industries, as well as cross-border projects, particularly in India, Indonesia and China.

Our full suite of services includes the structuring, negotiation and drafting of all documentation in relation to ship construction, financing, sale and purchase, and registration, as well as marine insurance and charter contracts. We advise on and assist in the structuring of a broad range of ship financing methods. We have extensive experience dealing with commercial, regulatory and tax issues concerning ship finance.

## Maritime Contentious Claims

Rodyk provides services in relation to carriage of goods and persons by sea, multimodal transportation and freight forwarding arrangements. We advise on insurance and reinsurance matters, competition law and regulatory issues.

Our services encompass all forms of admiralty and shipping disputes, from enforcement of ship mortgage and other maritime claims, to shipbuilding disputes and marine casualties.

We provide strategic and prompt advice on interim preservation orders and injunctions, and search and seizure orders. Representing clients as solicitors and as counsel in arbitrations within and outside Singapore, we are familiar with all major arbitral rules including ICC, UNCITRAL, HKIAC, CIETAC, SIAC, AAA and ICSID.
