

SQUIRE SANDERS

CORPORATE PROFILE

Squire Sanders is a full service international law firm with true global reach, having more than 1,300 lawyers in 36 offices located in 17 countries on 5 continents. We also have strong working relationships with independent firms in Europe and the Middle East, as well as the Squire Sanders Legal Counsel Worldwide Network, which includes independent firms across Latin America.

Our extensive practice and industry knowledge is shared throughout the firm via one of the most robust technology platforms in the legal business, as well as ongoing rotation of lawyers to our offices around the world. Whatever is needed, we are able to deliver the seamless cross-practice, cross-border and industry-specific support that clients require for success in today's competitive markets, integrating the required disciplines, locations, languages and cultures.

MARITIME PRACTICE

The maritime team has extensive experience in dealing with all types of marine casualties from vessel sinkings and groundings to major ocean pollution. We handle issues involving submarine cables and intermodal transportation and terminals, pollution and salvage issues and charterparty and bill of lading disputes; as well as contract of affreightment and commodity trading problems. We also consult and advise on financial issues arising in the maritime context, ranging from vessel financing to maritime bankruptcies and workouts including lien resolution. Our clients include shipowners, charterers, protection and indemnity insurers and hull underwriters.
