

## **STEPHENSON HARWOOD**

### **Corporate Profile**

Stephenson Harwood has a well respected and growing international arbitration practice in Singapore that is fully supported by teams in London and Hong Kong. The practice has gone from strength to strength with a large number of high value, high profile arbitrations currently afoot in Singapore and abroad.

We have unparalleled industry wide experience and strong client loyalty principally through our substantial legal and technical experience in all aspects of the marine sector and the provision of clear, concise advice at an early stage of instructions and identification of the best strategy for success, both in respect of contractual drafting/negotiations and disputes.

Our clients include shipyards, shipowners, offshore construction and exploration companies, charterers, P&I/Defence Clubs, all types of insurers, banks, bunker suppliers and commodity traders.

We were named 'Shipping law firm of the year' by Finance Monthly magazine, recommended as a top tier shipping firm by Asia Pacific Legal 500 2010/2011, and also listed in Asia's Top 30 Fastest Growing Firms in Asian Legal Business 2009 & 2010.
