

The Shipowners' Club

The Shipowners' Club is a mutual insurance association providing protection and indemnity insurance for small and specialised vessels worldwide.

Through being in a mutual, our Members share their liabilities with other owners of small and specialised vessels who face similar risks. The wide spread of membership across different vessel sectors and geographical areas brings stability to the Club as a whole.

Building on over 150 years of experience of providing P&I insurance for the owners of smaller and specialised vessels, we work closely with our Members and their brokers to provide insurance solutions, tailor made for the risk environment in which they operate.

With offices located in London, Singapore and Vancouver, our strategy is to provide a truly global service for our Members and their brokers but with an understanding of local conditions.

Shipowners' Asia Pte Ltd, our branch based in Singapore, services the needs of the membership across Singapore, Thailand, Malaysia, Indonesia, Vietnam, Brunei, Papua New Guinea, the Philippines and New Zealand.
