The Standard Club - Setting the standard for service and security

The Standard is a mutual insurance association, owned by its shipowner members and controlled by a board of directors drawn from the membership.

The club insures shipowners, operators and charterers for their liabilities to third parties arising out of ship operations.

Drawing on the strength and history of the Standard Group, Standard Asia, based in Singapore, covers shipowners from all parts of the Asia-Pacific region, and from all sectors of the shipping industry, against their third-party liabilities. Standard Asia has a Standard & Poor's A rating.

Standard Asia prides itself on the quality of its service to its members, and sets great store on responsiveness and support at all times, especially in times of crisis. Just as important is the emphasis on financial strength and stability through the club's strong balance sheet and financial resilience.
