BATUBARA INDONESIA
INDONESIAN COAL
MINING ASSOCIATION

Founded in 20th September 1989 as to response to the challenges of coal mining industry in Indonesia, the APBI-ICMA is a non-government, non-profit and non-political organization that embraces both upstream (exploration and exploitation) and downstream (marketing the distribution, utilization and mining services) aspects of coal industry in Indonesia. The Association aims to create an environment for its members to discuss common concern, exchange ideas and works towards a common goal for the coal mining industry.

The Singapore Chamber of Maritime Arbitration (SCMA) is one of Asia's leading arbitration centre. SCMA provides a framework for maritime and international trade arbitrations that is responsive to the needs of users. SCMA's members and users come from all sectors of the maritime and international trade communities and from all countries. Together with SCMA's specialized Panel of Arbitrators and proven track record, SCMA offers the maritime and international trade communities a neutral, cost-effective and flexible approach to resolve their disputes expeditiously
