We are proud to announce our Partnership with the Oil & Gas Council for the upcoming 2016 Asia Pacific Legal Retreat in Singapore. We have secured discounted tickets for you to this prestigious event.

The Retreat is an exclusive one-day gathering focussed on emerging legal challenges in O&G (regulatory, compliance, risk, corporate governance, financial and environmental), legal leadership, legal best practice and international O&G deal flow. We showcase innovative legal thinking, new developments in oil & gas law and discuss lessons learned from recent market events. The Retreat is limited to only 200 legal practitioners to ensure optimal discussion and meaningful dialogue, as well as guarantee you exclusive networking and business development. This is the meeting that ensures legal thought leadership and new collaboration across APAC. Early confirmed speakers already include:
