

XAVIER ZHANG XIAOWEI

FCI Arb , Arbitrator, Industry Expert

Arbitrator in Shipbuilding, Offshore Engineering, International Trade & Commercial Disputes

With over 20 years of dedicated experience in the shipbuilding and offshore engineering industry, He brings a unique dual expertise in both the commercial practices and legal frameworks of these complex sectors. His proficiency also extends to the legal and business intricacies of the international sale of goods.

He is actively engaged in academic and legal research, having authored numerous papers in both Chinese and English on topics including shipbuilding and offshore engineering, maritime law, and risk management. In recognition of his expertise, He serves as an off-campus supervisor for Tongji University, as well as for the Tsinghua University Shenzhen International Graduate School.
